

IOE Ph.D. Course Selection Report Form

All IOE Ph.D. Pre-Candidates are required to meet with their advisor(s) prior to the start of each semester to select courses to prepare for doctoral research and to meet requirements for the IOE Qualifying Process and Preliminary Examination. These requirements can be found at the following URLs:

- Operations Research:

The purpose of this form is to document course selections. It must be signed each semester by the student and his/her advisor(s) and submitted to the IOE Graduate Program Office prior to the drop/add deadline (for Fall 2020, before close of business on Monday, 9/21/20). Any changes that occur after the drop/add deadline must be noted on this form, initialed and dated, by the student and advisor(s). This form will be kept on record in the IOE Graduate Program Office, and needs to be retrieved by the student for updates each semester.
